

Aperol Spritz

Ingredients:

Ice
3 oz (1 part) Aperol
3 oz (1 part) dry Prosecco
1 oz (a splash) Club Soda or unflavored sparkling Water
Orange slice, Mint for garnish

Instructions:

Add ice to a wine glass until it is nearly full.
Pour in the Aperol (I usually eyeball this and pour until I've filled about one-third of the glass).
Pour in an equal amount of Prosecco.
Top your drink off with a splash of club soda and add a slice of orange and mint sprig.
Enjoy!
