

Apples, Black Pepper, Cheese & Port Wine

Ingredients:

Sweet and tart Apples
Black Pepper (Some crushed and some coarsely ground)
Blue Cheese
Port Wine

Directions:

Cut apple in two pieces along the axis and then slice parallel with the equator.
Remove the core from the slices. (This makes flat pieces that the pepper won't fall off.)
Put some pepper corns in a small zip lock and crush.
Coarsely ground some more.
Add each to separate small dishes.
(The large pieces of the crushed pepper seems too much for some.)
Make 2 or 3 platters with apples dish of both peppers and cheese, and set on table.
Provide each person with a small plate.
Pour some wine and enjoy!
